Newsletter 34 18th June 2021

Dear parents, carers and children,

This week has been a busy one, with lots of outdoor learning, even in the 'summer rain'! Children are benefiting from the social, collaborative challenges, from genuinely learning from trial and error, and from their mistakes. These important 'growth mind-set' skills are vital for secure learners. Mrs. Boxall has successfully launched our new Forest School area, thanks to the PTA for providing a trolley and outdoor camping WC & tent. The area is safely fenced and has already provided lots of exciting learning opportunities.

Preparations for our end of year events are well under way, and, as per this morning's letter, we will be relying on your support to enable these to go ahead safely and successfully. There are likely to be further adaptations over the coming weeks.

In the classroom, we are working hard to consolidate learning and to make sure children are ready for the transition to their next classes. Children's reading appears to remain strong, and they are developing the grammatical, punctuation and structural skills which have been weakened by the school closure. They are working hard on maths with lots of application of maths skills evident, although we feel there are areas where we will have to focus on strongly next year in order to cover all the required learning. Despite missing significant 'chunks' of learning over the past fifteen months, children are beginning to use mathematical and grammatical vocabulary more confidently once again. Having discussed this with other schools, there are many similar experiences, with schools finding that we have not the same amount of 'work'/'outcomes' in order to make judgements we would usually make about progress and achievement. We will explain all this in a few weeks, when we make our reports available to you.

Thank you to everyone who is supporting our Joseph production preparation—it is going to be a fabulous event, one way or another!

Please continue to stay safe and

## Joseph News

### Costumes for the show!

Please could we ask, in preparation for our end of term show, that **every child has a pair of black leggings or trousers to wear**. Nearer the time, we will ask that these be brought into school in a named plastic bag, but we will send a reminder!

Any other costumes needed will be sorted out by the individual classes and teachers, but we will endeavour to give you as much warning as possible, if your child requires anything more!

In the mean time, please can we ask that your children listen to the songs as much as possible - this link on YouTube is very close to the version that we are using in school:

The more they weigh—the more they pay!!

Our lost property bin is full again with many items of uniform that is not named. If unclaimed, this will be donated to the Bag 2 School Scheme.

## Car Parking - Permits

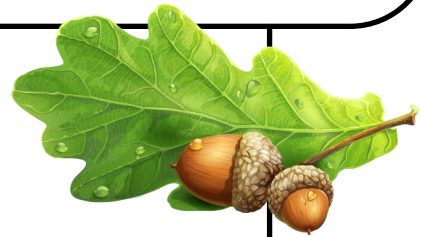

Thank you for ordering and collecting your parking permits—the situation in the school car park has already eased a little and is, therefore, safer. It remains vital to drive slowly and carefully, however, as we have had a further accident involving the gate—please, please take care!

I trust that the parking in The Selsey Arms car park is less congested too, and that people are taking the opportunity to park and stride from the church car park.

Our aim is to improve parking behaviour and safety for our community, rather than to make money out of this—the charges are covering our admin costs and providing a donation to the church, pub and Forest School. Thank you for your continued support.
