Newsletter 10 11th March 2016

Dear Parents and Carers,

Next week is 'Alive & Kicking' week, when the children will learn about being healthy and staying safe. We have lots of different, exciting activities and visitors during the week, please ask the children what they have been doing. Children can wear sports clothing and trainers throughout the week, if they wish, with their school sweatshirts on the top. Friday is Sport Relief and children are asked to bring in a donation.

Our next important parent event is on Wednesday 23rd March from 5.00 to 7.00pm and is an opportunity to find out about our **reporting and assessment methods**. We will explain national testing (SATs etc) and how we are approaching it: there will be test materials available to see too. The second important part of this evening event is the **PTA AGM** where you can find out how we are spending our hard earned money! Children will be able to watch a film, as we are combining this with **Film Night**. Please see separate flyer for more information.

Please note: There will be no clubs for the next two weeks. Information regarding clubs for the summer term has been sent home with the children today.

Please ensure that you return your child's report, with your comments by Friday 18th March.

Please ensure that you have returned your consent forms for the Bikeability event (Year 6).
