Newsletter 23 12th March 2021

Dear Children and Parents,

*This week has been joyful for us all. Hearing children's laughter throughout school and seeing happy faces at playtimes has given us all the boost we needed! Well done to all the children for coming back with such a positive attitude, even if they had butterflies on Monday. Well done to all the grown ups for arriving on the right day at the right time! Lots of you have said it is good to relinquish the teaching role and return to being parents again—we really understand that and we are delighted to be working face-to-face with all our pupils once again.*

*The children are tired, however, and we still need your support with the basics of reading, phonics, number work and good bedtime routines etc., so that we can ensure the best progress is made for the rest of this year.*

*We have enjoyed our focus on books and book week. Next week, we are learning about **counting**, data handling, and some big global issues, using a super book '**If the World Were a Village**' as a stimulus. This book is worth buying for home, as it opens up some big thinking about equality, numbers and power in the world, but is accessible to all ages. It links very well to the census, which you will all be asked to take part in this week, as a family.*

*It would be great if you could involve your children in this.*

*For the final two weeks, we will immerse ourselves in lots of other learning, including science and Easter topics.*

*Have a restful Mothering Sunday weekend.*

**Please continue to stay safe. DO NOT RELAX YOUR COVID SAFE BEHAVIOURS NOW!**  
There are staff and colleagues in our neighbouring schools who are very poorly with the virus—  
we want to protect everyone from this.

**Some reminders from WSCC:**

- Anyone with COVID-19 symptoms needs to book a pcr test (not a LFD) and should isolate along with their household and not be in school while they wait for their result.
- Secondary schools will have separate information for their pupils.
- Please use this link for further information: [Guidance on this is available on the council website](#)

**Look at this lovely rainbow! A sign of hope!**

## HOME LEARNING CONTINUES:

If your child is at home isolating due to Covid, but is well, we are committed to supporting with home learning. This will look a bit different to the large scale Google Classroom presence, but we will do all we can to make it work.

If your child is at home poorly for any reason, we will not provide home learning resources, as time off school for illness is for recuperation!

Apple and Maple Classes will continue to use the Google Classroom Message Board for communication, as this has proved really effective.

Our Google Classrooms will now be 'mothballed' a little, but will be used as and when teachers feel they will be useful. Chestnut Class may still use theirs, for example, for homework, and as good preparation for secondary school.

### Comic Relief Red Nose—'The Power of Funny'

We are joining in the fundraising for Comic Relief and asking you to wear something red on Friday 19th March in exchange for a minimum donation of £2.00 on [schoolmoney.co.uk](http://schoolmoney.co.uk). If you would like to donate more than £2.00 you may add as many items to your basket as you wish.

The theme this year is 'The Power of Funny' so we would like to ask all the children to bring in their favourite joke to share, if they would like to.

This is one of Mrs Chilton's jokes:

Why do seagulls fly over the sea? Because if they flew over the bay they would be called baygulls!

### HEADTEACHER RECRUITMENT

Thank you for your input—we can still take your views into consideration in the process. The post has now been advertised, and our new headteacher will be 'out there', ready to apply! Once we know how many people the governors have shortlisted, we will design the interview process, with more support from WSCC. The children will be involved during the interview days. We will keep you updated and involved along the way. Interviews will be held after the Easter holidays.

Dear parents, carers, governors and children,

We are excited to provide you with some Yoga & Mindfulness video lessons for your family to practise at home together (adults and children!). These are part of a new Yoga & Mindfulness programme school has purchased which also includes Yoga P.E lessons too! Hopefully your children will become Yoga experts very soon!

To access these FREE videos, simply visit:

<https://kidsloveyoga.thinkific.com/courses/free-for-kids-at-home-yoga-mindfulness-online>

You will need to create an account on the website. Please do not share this link with other families outside of our school.

We are excited to be offering this resource and we will use it from time to time in the classrooms too, especially throughout this pandemic period.

Remember—trying new things is good for the development of our brains, and activities which help us to focus and be calm are really worthwhile in this modern busy world.
