Newsletter 36 2nd July 2021

Dear parents, carers and children,

We hope you will agree that the school is looking good, and providing a great learning environment for the children. We would like to thank all the parents and carers who helped us with the tents last week - this makes such a difference to our ability to have children eating outside safely, and to our learning too. A huge thank you to Hazel, Fynn and Ava's grandma, who made the table covers for us last year - they enable us to keep things clean and pleasant, as the birds sometimes seem to 'target' our tables! For next week, if our lunchtime staff can support us in this, we hope to have all children eating outside for the last three weeks. If any Chestnut families could send in a picnic blanket for them to use with two or three friends, that could mean we can seat everyone safely.

We remain very aware of the Covid risks - I am currently being forced to work at home as I have been 'track and traced', after a rare trip out of the house. I have tested negative, with a PCR and LFTs, and our staff are still testing twice weekly. Y6/7 transition events are all cancelled and will be virtual, and we have reduced our YR transition events. Although hospital admissions and deaths remain low nationwide, the infection rate is rising once again. Boris Johnson is still advising that people in England will be 'very likely' be able to return to 'pretty much life before Covid' on and after 19th July. <https://www.bbc.co.uk/news/uk-51768274>

Thank you for your responses regarding our show plans -we will confirm our plans early next week, taking your responses, WSCC and DfE advice and national data/advice into account.

Please do all you can to help us keep the school running as close to 'normal' as possible, and please stay safe yourselves.

Thank you to everyone who is supporting our Joseph production preparation—

It is going to be a fabulous event, one way or another !
