National Walking Month 2022

May is National Walking Month, an annual celebration of walking. A brisk walk every day is a great way to improve both your physical and mental health. 2022 walking challenge is to walk 20 minutes every day through the month of May #Try20#WalkThisMay.

For those experiencing loneliness getting out to explore the community with others can be a great way to boost your mental health. Here at Chichester Wellbeing we have 10 HeartSmart walks on offer during Mental Health Awareness week, ranging from a beginner 1 mile walk at Chichester Canal to a 6.5 mile walk around West Marden.

We are also celebrating 20 years of the HeartSmart Walks with a Walls Walk followed by celebratory tea and cake at the District Council. Bookings for the event are now open. The latest Programme May - July 2022 is now available, with a huge variety of volunteer led walks taking place across the District. <http://www.chichester.gov.uk/heartsmart>

Message from Chartwells:
