Newsletter 2 - 10th September 2021

Dear parents, carers and children,

It has been a joy to welcome the children back this week and wonderful to watch the calm and happy start they have made. With the combination of changes to COVID safe guidance and some very welcome September sunshine, we are all so pleased to have been able to encourage increased interaction between each of the classes, particularly at playtimes, and I have been struck by just how well the children know and support each other, both at work and at play. In just the first few days of being with you at West Dean, it is already abundantly clear to me what a strength of the school this is.

With careful planning and, as I said last week, some caution, our aim is to increase curriculum enrichment and cross-age learning opportunities in the coming weeks, including plans for some exciting trips and special days. More details to follow in due course, so watch this space...

Thank you so much for the warm welcome that I have received from the whole school community this week. It has been lovely meeting and chatting to parents and carers on the playground and I am trying my level best to remember faces and names, despite the continued challenge of face masks. Thank you also, for your continued support and cooperation in keeping everyone safe by wearing a mask at pick-up and drop-off. Do come and say hello on the playground, particularly if I have not yet managed to meet you.

During our assemblies this week we have talked about thankfulness and perseverance in the context of this summer's Olympic and Paralympic Games. Relating this to our own life, we considered how we should all be thankful that school life is beginning to return to some form of normality and feel a tremendous sense of privilege to work and learn at West Dean CE Primary School each day. At the same time, life is full of challenge, much of which is good and healthy, so it is important to develop the resilience and perseverance to meet that challenge head on and keep going, just like those Olympians. In my conversations with the children this week, they have shown a really good understanding of this, which gives me great hope for the term ahead.

With best wishes for the weekend.

Chris Williams

### COVID safe procedures and routines

To clarify an element of COVID guidance which has prompted some questions this week, children who are identified as a close contact of a positive case of COVID-19 should attend school as normal and do not need to isolate at home whilst awaiting the result of a PCR test.

Further details of the measures in place in schools and how outbreaks will be managed, can be found at [www.westsussex.gov.uk/backtoschool](http://www.westsussex.gov.uk/backtoschool)

### Healthy Lunch Boxes

We encourage all of our children to lead healthy lifestyles and this includes their lunches and snacks in school. If your child has a packed lunch, please could we ask that you try to make healthy choices for your child's lunch box and not to include sweets.

Thank you for your support with this.
