Newsletter 20 06.02.26

There is quite a bit of illness about unfortunately, so our overall attendance for the year has dropped to **96.2%** this week.

Even though Rev Sarah is still recovering from a broken arm, she has honed her left handed typing skills and blessed us with a Rector's Rambling this week, which can be viewed by [CLICKING HERE](#)

So glad to hear you are on the mend, Rev Sarah. We will continue to hold you in our thoughts and prayers.

## Watch out... rainforest birds have landed in Maple Class!

Maple Class children have been learning about the rainforest and the amazing birds that live there. They then created their own colourful birds.

These beautiful birds can perch right on their arms—just like they're holding a real rainforest friend! A fantastic mix of creativity, imagination, and learning.

Apple Class welcomed 'Tom's Talking reptiles' into school this week to support their 'Look Closely' learning about minibeasts. The children thoroughly enjoyed meeting Pogo the stick insect, Chloe the curly haired tarantula, Hansel the African land snail, Millie the millipede and Wally the hissing cockroach this week. Any anxieties were soon forgotten as everyone was introduced to each minibeast and told so many interesting facts about them. It was wonderful to be able to hold and stroke them—and to look closely at Chloe. Thank you Tom!

**No such thing as bad weather!** When we run tours for prospective families for our new Reception cohort, we always talk about how the children always have a change of clothes and wellies with them and we endeavour to get outside to learn all-year-round, whatever the weather.

We certainly lived up to that claim yesterday, with some children still managing Forest School and lots heading out on various routes around West Dean Gardens, on this half term's Wellbeing Walk. There is always a lot to see, hear and smell and this time the children were fascinated by the height of the River Lavant, almost bursting its banks.

Today was our first Foodbank Friday of 2026. Thank you so much for all your donations, your support it is greatly appreciated.

**Please see below, message from Chichester District Foodbank:**

On behalf of the Chichester District Foodbank team, I want to say a huge thank you for your amazing support over the past year. In 2025, you generously donated **102kg** of provisions - that's around 255 meals! Your kindness really does make a difference, and means so much to us and the people we support across Chichester District.

Thanks to you, we can continue offering essential support to families and individuals in crisis across the Chichester District. And it's not just about the food. Your generosity frees up resources that let us provide extra help, like practical guidance and a caring, listening ear when it's needed most. As a largely volunteer-run charity, every donation makes a real difference, and yours is truly appreciated. Last year, we were able to provide emergency food parcels to over 6,000 people, with 38% of them being children. These numbers show just how important your support is to our community.

Thank you again for your generosity and for being such an important part of what we do. You truly help make a real difference, and we hope to work with you again in 2026!

### Chartwells Meal Ordering

This week we had x2 Universal Infant Free School Meals ordered but not taken, costing school £6.40. Please continue to be careful with ordering to support us to reduce cost and waste.

### Headlice

A case of headlice has been reported in school. Please follow the link to access further information regarding vigilance and treatment:
